Leahi Home Will Receive Nearly 1860 as Result of One of Best tests of Beason, Which Reited in Victory for California Visitors in Ninth Inning by Score of 8 to 4.

Score Culifornia 8, Picked Team 4. Attendance, 4622, receipts, 21108.05. did itself proud yesterday. Nearly five thousand of its citizens Hed to the call for aid for the Lehi Home and as a result funds have been raised which insure the saving. of at least four-lives during the next sine months. It was the greatest beneat Leahi Home has yet received, the nost substantial public response to aid in the fight against the Dread White Plague that has yet been given, and withal those who responded witnessed one of the best baseball games of the present series. It was nine innings, every one of which was filled with excitament and with the exception of one or two intervals, good baseball playing.

The total attendance was 4662. Thin included only the paid admissions at the gate and the two thousand or more school children whose admissions were paid by those wishing to help the cause along were not included. The total receipts were \$1408.55. There was not a cent of expense, so far as can be learned, so a check for this amount in full was malled to the directors of the Leahi Home last night. Players gave their services cheerfully, not one employe so far as can be learned, insisted upon payment for their work and those who nided can rest assured that their money is going into the channels they intended. It costs fifty dollars par month to care for and treat a fuberculosis, or consumptive patient at Leahi. Nine months is generally required to nurse a sufferer back to life and health so the home will be placed in position of saving three or possibly four unfortunates who but for vester day's fine banchall game would have gone to an early grave. 2000 Youthral Rooters.

Yesterday's life saving heliday was Yesterday's life saving heliday was generally observed by the business houses. They closed their stores at three s'clock in the afternoon. The transit company doubled its car service and for the next hour or more thousands poured into Athlelia Prix Schastian, if the same was played. The California players, though two thousand miles from home found many warm supmiles from home found many warm supporters to greet them and throughout
the game the rooters remained to al

events, for everyone received full value for his money. California Winners Five runs and two hits in the first half of the ninth innings wiped put the picked nine of the Oahu League yesterday and gave the game to the visitors. Up till the fatal moment when Pitcher Moriyama went up like an airship, the home team had the game apparently sewed up to the tune of 4 to 3, It was a great game up till the ninth, and after that it was an exhibition of coing up in the air that exhibition of going up in the air that

as a classic. The benefit game was organized and The benefit game was organized and staged by the Oahu League in aid of the Leahi Home. The park was packed and there were no spare seats anywhere. The school children seated on the makai bleachers were a noble sight, and as lasty as the beginning of the holidays justified. The urchins, this make tall rooting, celebrating in advance in three cheers for Oahu at the said of the cighth when the game vance in three cheers for Oshu at the end of the eighth, when the game lasked as good as won by the home nias. The gand-hearted ones who made it possible for the kids to see the great game had their satisfaction in watching the way is which the schoolbays enjoyed themselves, to say nothing of the wirls, of whom there were planty to be less on the blensher seats. The girls tooted with the best of the boys.

The Hawaiian Band was in attendance, and Captain Berger played some fine selections that were enjoyed by the crowd. Captain Stayton and George Bruns acted as umpires.

President Peters of the Oshu League and Manager Trendway of the Ashletic Park were delighted at the way the erewd turned up to the game,
'I knew we would have a big
crowd,'' said Peters after the game, "but this gathering exceeds my most sanguine expectations. The Leahi Home will receive a very welcome addition to its funds through the gate receipts

of today's game.''
Manager Treadway had a few words
to say also. to may also.

'I am glad that the crowd turned out as it did. Every cent except a small amount for expenses that must be set will go to the Lenhi Home. It was a great game up till the end of the eighth—then 'Good Night,' ' he

The crewd began to arrive at the park shortly after three o'clock, but it was not until shortly before the time to begin the game that the people began to roll up in hundreds. Every car was former crowded. Automobiles also conveyed April.

Taking it by the whole, the game was a most exciting one, and one that kept the faus on the jump all the time. One home run was hit by Young, and like the previous home runs of the series, the ball was sent over the laft fleid fence. The aphere tadged on the upper plank of the wire antiting and then flopped down on the outpide. This is, the third home run of the series, and the callfornians have done the trick each time. Forbes and Hayes performed the frat is earlier gafnes and Young fallowed soit yesterday.

Akana hit a pench of a three-tingger in the neventh, and the hall went sailing down the centerfield while Lai Tin strolled home, intidentally tiving the series.

ms and Nishl of the Asahir

Moreyams and Nishl of the Asahis formed the Cahu battery, and the pitcher, up till the end of the seventh, had allowed four hits and had three runs scored off him. Then came the moention, and Moreyama walked three men with the bases full, forcing home three runs. He was then taken from the box and Shan went in to try and stay the run getting. Young walcomed the meet twirler by hitting him into rightfield just fair, and scoring O'Hara and Adair. Eve runs and all was over.

The game was started on time, and the Californians were the first to but. They went out, one, two, three and the crowd cheered. The Onhuans failed to scote in their half, although they got two on bases, with none gone.

The scoring began in the second, when California, through a two-bagger of Forbes, tallied the first notch when Sebastian came house.

In the third, both risdes scored, California making two and Oaku one. O'Hara made first on a rightfield hit and got to second when Adair went out, pitcher to first. Schaeffer hit to short and was inhobed at the initial mack, while O'Hara perched on third. Young then fift one over the femce for a homer had sent O'Hara in ahead of him. Onhu s run was unde when Bushnell, who had made first on a base bit, was advanced to third by Lul Tin's two bagger. Kualif died at first, but Bushnell was anfe at the plate.

Neither hide scored in the fourth, and California did nothing in their half of the fifth. Oahu added one in their spasm and it was pinch hitter Hixenbaugh who brought Chillingworth

No score was made in the sixth, but Cahu took the lead in the second half of the seventh, when two runs came home. Lai Tin made first and stole second by a beautiful slide. Akana then hit a three-bagger and scored Lai Tin. Akana came home when Moriyama got to first on the baseman's error.

Onhu then led by a score of 4 to 3, and all Honoluhi was happy. In the eighth there was nothing exciting and both sides went out in one, two, three order.

The slaughter began and ended in

The slaughter began and couled in the ninth when Moriyama blew up and walked three men, forcing home three runs. Moriyama was then relieved and Sloan was responsible for the next two runs. It was a most mexpected end to a fine game for a noble cause. The men forced home ware Rubke, Forbes and disuelli. The full score follows:

Comparing this with the work done a generation ago, the whole angar industry, has made tremendous strides. The difference in extraction as between the latest eighteen roller type of mill and the old nine or twelve roller mill of half a decade ago foets up an annual saving of about a thousand tons of sugar in the case of a plantation the size of Ewa. At the commencement of the sugar industry sometimes forty per cent of the total sugar in the cane was lost.

The remainder of the bill defines the procedure to be affected in bringing action in the name of the State of California, declaring property held in violation of the act to be subject to escheat.
